Principal's Message

Dear Students,

It is a matter of immense pleasure for me to introduce you to one of the prolific and the most progressive Institutions of Higher Education functioning in the state today. Established in the year 1994, R.G.M. Govt. College Joginder Nagar has grown by leaps and bounds over the years. Presently, the College runs UG level courses (in Arts, Science and Commerce streams), PG Courses (in two subjects) and self financing courses in BBA & BCA. In addition to academics, the College holds standards of excellence in the field of Sports, Cultural Activities and in conducting Co-curricular events throughout the Academic Year. It is also a matter of proud concern to state that the Institution has an eco-friendly, green and sprawling, campus which is equipped with modern amenities like wi-fi, water coolers, comfortable and spacious corridors with seating spaces etc. The college has a well stocked (INFILIB) library, smart classrooms, a conference room, fully loaded science and computer lab to cater to the needs of the students. The Institution is blessed with a galaxy of learned and experienced Teachers, who are constantly striving for the better prospects of their students. Besides formal teaching, the college also lays emphasis upon the holistic education that is assimilated with the shades of our rich cultural diversity and endearing traditional values. It has rightly been said ***“The aim of education is the knowledge not of facts but of values,”*** and, unambiguously, these tenets are followed by the Institution in letter and spirit.

“Those who cannot remember the past are condemned to repeat it,” averred the noted British statesman Winston Churchill and quite rightly so. In fact, today it is earnestly desired that we take a lesson from the period of pandemic and pledge to adhere to the ***'Covid Appropriate Behaviour'*** in the strictest sense. This dismal and crisis-oriented phase also reminds me of the exemplary words of the Danish Philosopher Kierkegaard, ***“Life must be understood backwards; but it must be lived forwards.”*** These golden words, in fact, pave the way for our future perception and make us realize that by keeping a vigilant eye over the past, we can plan a safe and healthy life for the upcoming times. Wishing you success in all endeavours of life and blessings for a resplendent future!

Jai Hind!

॥ असतो मा सद्गमया ॥

Keep us not in the phenomenal world of unreality,
But make us go towards the reality of eternal self
